## Chapter 1 by John

Our Story begins with the war of the five kings.

The Iron Throne was in turmoil. Robert Baratheon, bless his name , had died.

His heir, Joffrey , had died by poison. Stannis Baratheon, brother of the dead king, had sent letter to the realm claiming that he was the true heir to the iron throne, has joffrey and his brothers, were all bastards.

Far north, beyond the wall , the cold was coming.

It was from this great conflict that house starred was born.

It`s ruler, raised to nobility by a local lord in the north , was given the lordship of flint, down by flint`s finger.

House Starred would rise to glory from there, but their troubles would be many, and sacrifices must be made for the glory of the house.
